

JACARANDA NOMADS

Nomads are registered members of Bowls Clubs and have no fixed abode and play bowls at a different club every month and from February 2020 on the 1st Sunday and raise funds to help the needy.

Jacaranda Nomads are members at different clubs in Pretoria and we each pay our dues to BSA and BGN as well as to Natex which is the executive for Nomad Bowls RSA.

We live in a world full of financial challenges and hear about the daily struggles from different organizations who mostly are not supported by government grants. Therefore we try and alleviate some of the hardships by assisting them with the limited funds we have available.

We are proud to be Nomads and thank our members for their generosity in assisting us to this end.
